LOTUS ALL-ELECTRIC RECEIVERS FOR

Lotus 3-valve S.G.P. All-Electric (A.C.) Console Receiver. (William and Mary Style.) In Walnut. Price, complete with Valves and Royalties paid, 29 guineas, or twelve monthly instalments of £2.15.0.

Ever in the forefront of the radio movement, Lotus have kept pace with the latest developments in design and construction, and the present range of sets is representative of modern radio at its best.

The performance of Lotus Sets is a revelation. They can "bring in" stations all over Europe, and for "tone" and "realism" they are unsurpassed.

Simplicity has not been forgotten. A Lotus Set is as foolproof and as trouble-free as a radio set can be, and complete ease of operation has been attained.

Lotus 3-valve S.G.P. All-Electric (A.C.) Table Model Receiver. In Oak, Mahogany or Walnut. Price, complete with Valves and Royalties paid, 15 guineas, or twelve monthly instalments of £1.8.6.
